

## Children's Sunday School - Fall, 2009

Sunday School begins again on September 13 at 10:30 AM.

We will use a Sunday School curriculum called, ***Rooted***, a series that guides our youth to become grounded in God's love, for life. This interactive curriculum provides a way for youth to experience Bible stories using analogies like from seeds to trees - it is a miracle of God's creation, but the tree will never take root if it doesn't have everything it needs. The same goes for faith.
